

## **Richfield Interagency Fire Type-3 Team (Lopez/Nez)**

### **Aspen Springs Fire Update**

**July 22, 2013 7:30 p.m.**

**Start Date and Time:** July 21, 2013 at 17:27

**Cause:** Under Investigation

**Location:** 2 miles east of Spring City, Utah on Private Land

**Size:** Approximately 37 acres

**Percent contained:** 50%

**Estimated Containment Date:** July 24, 2013

**Fuel Type:** Pinion-Juniper, sagebrush, and grass

**Resources:** 1-Type 3 Incident Management Team, 1-Type 3 helicopter, 4-Fire engines, 1 bulldozer, and 1-twenty person hand crew.

**Highlights:** The Sanpete County sheriff rescinded the voluntary evacuations for approximately 50 homes and cabins of Pine Mountain Subdivision at about 4:00 p.m. today. Two bulldozers and fire engines worked on the fire last night constructing fire line completely around the fire that held the fire in place today. Firefighters will continue to improve fire lines and mop-up tomorrow. Today the fire was smoldering with occasional torching within the existing fire perimeter.
