

## **Richfield Interagency Fire Type-3 Team (Lopez/Nez)**

### **Aspen Springs Fire Update**

**July 23, 2013 5:00 p.m.**

This will be the last fire update unless significant fire activity occurs on the fire.

**Start Date and Time:** July 21, 2013 at 17:27

**Cause:** Under Investigation

**Location:** 2 miles east of Spring City, Utah on Private Land

**Size:** Approximately 37 acres

**Percent contained:** 95%

**Estimated Containment Date:** July 24, 2013

**Fuel Type:** Pinion-Juniper, sagebrush, and grass

**Resources:** 1-Type 4 Incident Commander from local Sanpete County and 1-twenty person hand crew.

**Highlights:** The Type-3 incident management team will turn-over the management back to the local county management unit at 20:00 tonight. The Sanpete County sheriff rescinded the voluntary evacuations for approximately 50 homes and cabins of Pine Mountain Subdivision at about 4:00 p.m. yesterday. Firefighters continued to improve fire lines and mopped-up today. Today the fire was smoldering with occasional torching within the existing fire perimeter.
