Wildfire Fact Sheet- DI Ranch

Note: Get the latest fire updates on Twitter @UtahWildfire
(Use hashtag #DIRanchFire)

The lightning caused DI Ranch Fire located northwest of Utah Hill, in Washington County is now 100 percent contained at 857 acres. Acreage change is due to more accurate mapping using a helicopter and Global Positioning System (GPS) today.

Two fire engines will be assigned to the fire through tomorrow, extinguishing remaining hot spots. No injuries were reported and no structures were damage or lost. This will be the final update unless significant changes occur.

-BLM-
