Middle Creek Fire Burning West of Circleville

RICHFIELD, UT, August 15, 2013: The lightning caused Middle Creek Fire, burning west of Circleville Utah, was reported to Richfield Interagency Dispatch yesterday afternoon. Initially three engines, one helicopter, a county fire warden, a squad of firefighters and other personnel responded to the fire for initial attack. A 20-person crew and two water tenders have been ordered and are expected to arrive this morning to work on the fire.

The five acre fire is burning in timber slash. No structures are threatened.
