Plateau Fire Update –July 24, 2014

Name: Plateau Fire

Location: 5 miles east of Salina Utah

Cause: Lightning

Acres: 188

Percent Contained: 0

Fuels: Pinyon, juniper, oak brush

Fire Behavior: smoldering

Personnel Assigned: 25

Structures Threatened: 0

Remarks – The change in acreage from yesterday is due to more accurate mapping following a flight using GPS. The fire area received some rain yesterday afternoon. Roads in the area of the fire are closed in order to provide for public and firefighter safety.

Information about this fire will be posted online at www.utahfireinfo.gov.
