

# East Onaqui Rx Unit

**Location:** On the lower 1/3 of the northeast slope of the Onaqui mountains, north of Faust Canyon and adjacent to Big Canyon.

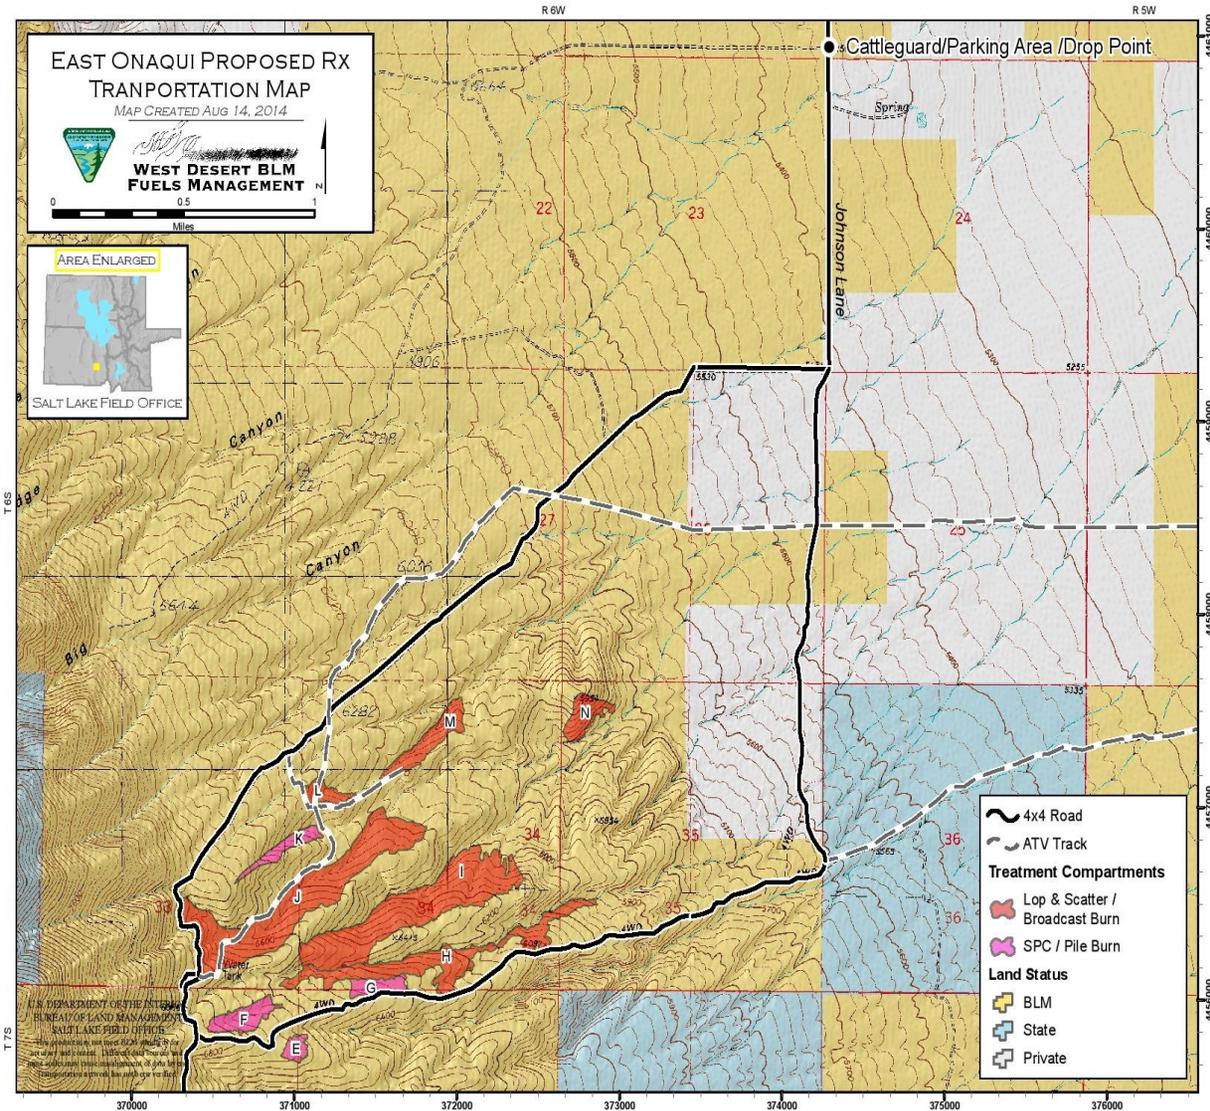

**Size:** 261 acres

**Project Dates:** May– June 2016 as weather permits

**Objectives:** The goals of the project are to reduce hazardous fuels, help protect communities from high intensity wildfires, and to improve sagebrush habitat for wildlife.

**Treatment Description:** Prescribed fire will be used to burn slash and piles created by previous fuel treatments.

**For your safety, please avoid the project area during implementation. Crews will be using prescribe fire and the area will be closed to public access.**
