

SAWMILL FIRE

Please Do Not Report

- Sawmill Fire, Spanish Fork Ranger District, reported 9/16/16, lightning caused.
- The Sawmill fire estimated between 30 acres, burning in grass, brush, mixed conifer and some aspen.
- The fire is located 1/2 mile from diamond fork road about 9 miles west of Strawberry, 12 miles east of Mapleton. Utah County.
- Smoke is visible from surrounding areas. **Please do not report the fire and do not extinguish fire.**
- The area is not closed to recreation, but Forest users please be cautious and avoid the fire area.
- Our number one priority is to ensure firefighter and public safety.
- The fire is being managed to allow the fire to play its natural role, improving forest health and reducing hazardous fuels without posing undue risk to people or property.
- Fire is being monitored by Forest fire personnel.
