GUN RANGE FIRE UPDATE

Salt Lake City, August 17, 2010 – Today at 4:00 PM, fire managers determined that the fire is 100% contained. The Ruby Mountain Hotshot hand crew completed their multiple objectives; monitored containment lines and rehabbed critical areas to minimize erosion. The crew from Elko, Nevada will now be heading to the Willow Creek Fire in the Mt. Nebo Wilderness. The Interagency Incident Management Team will transition command to local fire management authorities at 6:00PM tonight.

The Gun Range fire that started on Sunday, August 15, 2010 has burned 34 acres of Forest Service and 22 acres of private land in Parley's Canyon.
