Fire Restriction Order

(Carbon, Emery, Grand and San Juan counties)

Due to current and forecasted weather conditions coupled with the extremely dry condition and heavy loading of vegetation throughout the State of Utah, the State Forester has determined that measures must be taken to prevent costly and damaging forest and rangeland fires. Therefore, pursuant to Utah State Law, Section 65A-8-212 Utah Code 1994. The **following acts are prohibited** on the areas, roads and trails described in the "Area Description" section below (Carbon, Emery, Grand and San Juan counties) until rescinded by the Utah State Forester:

1. Campfires, except in permanently constructed cement or metal fire pits provided in developed campgrounds and picnic areas.
2. Use/discharge of any kind of fireworks, explosives, incendiary or chemical devices, pyrotechnic devices, exploding targets or the use of steel core/jacketed ammunition.
3. Operating or using any internal or external combustion engine without a spark arresting device properly installed, maintained and in effective working order.
4. Cutting, welding or grinding metal in areas of vegetation.

The following IS PERMITTED:

1. Devices fueled by petroleum or liquid propane gas (LPG) products with a shut-off valve are allowed in areas clear of flammable vegetation (10ft X 10ft).
2. Charcoal burning is allowed in developed campgrounds or picnic grounds within permanent fire rings or grills constructed of metal or concrete. In undeveloped camping locations charcoal must be set in metal pans in areas clear of flammable vegetation (10ft X 10ft). Extinguish with water when unattended.

Area Description:

All unincorporated private and state lands within Carbon, Emery, Grand and San Juan counties.

Effective 12:01 A.M., 3rd day of July, 2015.

Violation of the above prohibited acts is punishable as a class B misdemeanor.

Brian Cottam
State Forester
State of Utah
